FOR FILING NOTICE OF APPEAL**

Sir:

Applicant notes for the record that the Advisory Action mistakenly states that the period of response for the present Notice of Appeal is measured from the date of mailing of the final Office Action. Because Applicant responded to the final Office Action within two (2) months from the mailing date of the Action, the period of response should be measured from the date mailing of the Advisory Action, i.e., April 12, 2005. In particular, the period for reply should be treated as expiring on the mailing date of the Advisory Action. Accordingly, a one (1) month extension of time is due with the accompanying Notice of Appeal, and not a three (3) month extension of time.

Respectfully submitted,
